NUMBER 104.

## FROM RICHMOND.

Robert Ould, late Confederate Commissioner of Exchange, Wm. H. Hatch, his assistant, and several other attaches of the Bureau, have been arrested upon an order from Washington, and committed to the Libby, upon a charge connected with the administration of affairs devolving upon them as agents of exchange.

We are glad to learn that a movement is on foot for the reorganization of the Orange and Alexandria Railroad Company, looking to the immediate repair of their railroad.

The van of the army of the Potomac, Lieutenant General Grant, reached Manchester on Tuesday evening, from City Point, en route for Washington.

General Meade, commanding the Army of the Potomac, arrived in Richmond yesterday afternoon. His headquarters, for the present, are on board the United States gunboat Monohansett.

Gens. Beauregard, Hardee and Hoke were included in the surrender of Johnston army. It is thought that Wade Hampton and Bragg have gone with Davis.

Major General Halleck, commanding the Military Division of the James, has issued a general order establishing a Court of Conciliation, consisting of three arbitrators, in the city of Richmond. All persons who appear before the court take the oath.

The provost marshal of Manchester has done a good thing in taking up and putting all the idle colored population of that town to work cleaning up the streets and lanes. The women have been packed off to Belle Isle, which is to be converted into a grand wash-house and laundry for the soldiers stationed at Manchester.

Dr. Garnett, heretofore a prominent physician in Washington, who removed to Richmond at the beginning of the war, and held a position there, has taken the oath of allegiance in that city.

## VIRGINIA.

The Richmond Whig says:—"It is intimated that Gov. Pierpont, Gov. of Virginia, whose seat is at Alexandria, may be expected to arrive in Richmond within the present week, or the next ten days. It is said that Gov. Pierpont is in Washington, and has delayed his coming in order to await the arrival of the Governors of several of the States who are expected to accompany him to Richmond."

The State Journal says:—"Gov. Pierpont informs us that he will, in the course of a day or two, issue a proclamation advising the postponement of the Congressional election in this, as well as other Districts of the State, until the counties can be reorganized, which will be done at the very earliest practicable moment. Steps are already being taken to reorganize these counties, and the work will be pushed forward with dispatch. Another proclamation will also be issued by the Governor shortly for the re-organization of the various unorganized counties of the State, and asking the refugees from the State to return and participate in said reorganization."

Out of eight thousand rank and file, prisoners of war, confined last week in Fort Delaware, but three men declined to renew their allegiance to the United States.
